

SEMIP

South East Melbourne Innovation Precinct

# Innovation Showcase 2011

Hemisphere Conference Centre, South Road, Moorabbin

Thursday June 16, 2011

9:00am – 4:00pm

Are you looking to:

- Increase the uptake of innovative technologies and practices within your business?
- Understand the opportunities for innovation in this precinct?
- Connect with local industries?
- Learn more about commercial access at some of Australia's best research institutes ?

***This is an opportunity not to be missed.***

The program will be a combination of keynote presentations and smaller group sessions delivered by industry leaders and innovators. In these sessions there will be an opportunity to interact with presenters, to raise and discuss important issues. At the end of the sessions, the formal event will close, and participants will be encouraged to stay and network.

**TARGET AUDIENCE:**

200-250 business leaders who are looking for ways to engage with publicly funded research organisations and other businesses who are already leaders in the innovations space.

**COST:**

Early bird (register by Friday 20 May): \$200 (including GST)

Registration (after Friday 20 May): \$250 (including GST)
